### POSITIVE PROFIT ALERT

This announcement is made by MBV International Limited (the **“Company”**), and together with its subsidiaries, the **“Group”**) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the **“Listing Rules”**) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance.

The board of directors of the Company (the **“Board”**) wishes to inform the shareholders of the Company (the **“Shareholders”**) and potential investors that, based on the latest assessment by the Board with reference to the preliminary unaudited consolidated management accounts of the Group for the six months ended 30 June 2021 (The **“Reporting Period”**) currently available, it is expected that the Group will record a net profit for the Reporting Period, as compared to the net loss of approximately RM4.4 million for the six months ended 30 June 2020. Such increase was mainly attributable to (i) the increase in business days during the Reporting Period comparing the same period last year as a result of certain compulsory suspension in business by the governments in Malaysia and Singapore due to the outbreak of COVID-19 epidemic; and (ii) no listing expenses incurred during the Reporting Period.

The Board wishes to remind the Shareholders and potential investors that the information contained in this announcement is only based on a preliminary assessment by the Board with reference to the information currently available to the Board and the unaudited consolidated management accounts of the Group for the Reporting Period. As at the date of this announcement, the Company is still in the process of finalising its consolidated financial results of the Group for the Reporting Period and such financial results are not yet reviewed by the audit committee of the Company.

Shareholders and potential investors are advised to read carefully the announcement of the Company in relation to the financial results of the Group for the Reporting Period, which is expected to be published by the end of August 2021.
